THE SIGNATURE

Your portrait is mounted to artboard and textured. Some sizes available with a beveled edge, perfect for display on an easel.

THE HERITAGE

Your portrait is reproduced on cotton canvas, and bonded to artboard.

All Classic, Signature and Heritage Decor size portraits are framed in your choice of black or pewter gallery frames.

THE GALLERY WRAP

Your portrait is giclee printed on canvas and wrapped on a stretcher for a frameless contemporary look.

THE IMPRESSIONIST CANVAS

The *Impressionist's Canvas* goes beyond the photograph and creates an Impressionistic interpretation stretched to a gallery wrap. Each canvas is an individual rendition, created by Mary Keane.
